The Central Columbia Association would like to thank you for your generous donation of trees for Earth Day. Your contribution shows the people of Columbia that Downtown has a heart and cares about the environment.

A total of 2,600 trees were donated by downtown merchants, now that's real involvement! Numerous of Earth Day goers visited the tree booth to delightfully receive their free trees.

We appreciate your participation and hope you continue your support of downtown.

Once again Thank-you!

On behalf of the Russell Elementary Spring Festival Committee, PTA, Administration and more importantly the children of Russell Elementary School, we would like to take this opportunity to thank you for your support of our recently held Spring Festival. Without your generous contribution, the Festival would not have been so successful. It is important in this day and age for children to see that people in their community care and support their schools. We can only hope your satisfaction in giving was equal to the satisfaction that Russell Elementary experienced in receiving.

Dear Mr. Yoder:

Thank you for so generously granting air time for the "Know When To Say When" campaign spots from Anheuser-Busch.

Promoting responsible drinking by adults who drink, and promoting ideas like the designated driver, have helped Americans tackle and work toward solving the drunk driving problem in this country.

Thanks to your commitment and that of hundreds of other stations and many concerned citizens and groups around the country, real progress is being made.

For example, the U.S. Department of Transportation reports a 22% decline in drunk-driving fatalities since 1982. Among teenagers, that decline has reached a remarkable 47%.

We salute your participation and commitment, which are vital to continued success in this important effort. Best of luck to you and your colleagues.

Sincerely,

Dear Friend:

From all of us at Anheuser-Busch, thank you for generously granting air time for the "Know When To Say When" messages we have produced.

Progress against drunk driving fatalities is one of the great social success stories in America over the last dozen years, and the involvement of people like you is one of the big reasons for the good news. According to the U.S. Department of Transportation, DWI fatalities have declined 32 percent since 1982.

Promoting personal responsibility, designated drivers and other life-saving advice is something the nation's advertising community has done so well. It's making a difference, as the Roper Starch research organization points out in the attached.

We salute your participation and commitment, and wish you and your colleagues the best of luck.

Dear Richard and the KFMZ Family:

Although this letter isn't as timely as I would have wanted, perhaps now - during the season of giving - is the appropriate time to thank you.

I've only been with the Food Bank seven months and to be honest with you, there were times that I truly wondered if anyone out there cared about those in need. That was before Sean Michaels came into our lives and with him the whole KFMZ crew! To say "thank you" for all of your efforts in the past several months would hardly be adequate. The gift you have given to the staff here has been one of enormous support and empathy. The gift you have bestowed on the hungry is tremendous and still evolving! Your recent effort with the Gerbes stores produced over 1,000 pounds of food. Your enthusiasm, encouragement and efforts to "tell the story" have directly translated in over 17,000 pounds of total food donations in only one month! Last year at this same time, only 4,000 pounds had been received. In addition, monetary contributions have increased over last year by \$7,000. At one time this month, we had over 20 food drives going on in Central Missouri (and NOT just in Columbia) thanks to you!

I am very sincere when I say each of you has truly been a God-send in a critical time for us. Please know how much we appreciate all the efforts and sacrifices you have given to help someone else less fortunate. Not only have you touched the lives of many, many people, I feel I have found some friends!

Merry Christmas and may God bless each of you for your kindness!

Sincerely,

Peggy Kirkpatrick

Dear Richard and Friends,

On behalf of the Blind Boone Highsteppers, I would like to thank you for your generous contribution. You and others like you rose to the occasion to meet a special need. You have helped make it possible for these enthusiastic, talented kids to make the trip to Washington D. C. to perform in President Bill Clinton's Inaugural Activities. I'm sure they will represent us well!

The Highsteppers will leave by bus on Sunday, January 17. They will perform in new uniforms with new drums, thanks to your support. There is no doubt that this will be a high point in these children's lives.

It is on occasions such as these that I am so proud and so thankful to live in a wonderful community like Columbia — a place where people really care and make good things happen. Thank you so much.

Dear Mr. Hauschild,

Thank you for donating an overnight theater/dinner package at Arrow Rock and a Brown Bag Hall of Fame advertising package, auctioned January 14, 1993 by the Rotary clubs in Columbia for the benefit of the Rotary foundation and the persons served at Woodhaven Learning Center.

Your gift helped raise over \$35,000 during the affair. And what an affair it was. About 270 people gathered for the festivities held at the Holiday Inn Executive Center. Bidding was brisk and exciting.

Half the proceeds will help men and women with mental retardation and developmental disabilities achieve a successful life filled with dignity and hope; the other half will be divided among the three local Rotary clubs for their individual altruistic projects.

For the men and women at Woodhaven, thank you so much for your help and support. /

Dear Mr. Hauschild ;

On behalf of the Board of Directors, staff and the many families who stay at our "home away from home" a very special thank you for your assistance with the promotions and coordination of the benefit concert fundraiser held at the Blue Note on May 17th.

As a result of the efforts of all those involved \$1,000 was raised for our home-away-from home for the families of children who are hospitalized due to illness or accidents. A very special thank you to Cindy Stratton and your staff for their assistance with advertising this event from May 18th-20th. Community events such as this help to heighten the public's awareness regarding the Mid-Missouri Ronald McDonald house throughout the Mid-Missouri area.

Thanks again for your assistance this year in honor of our 10th birthday celebration . Through the generous support of the McDonald's corporation and owner operators and community businesses such as yours we have been able to provide supportive affordable temporary housing for over 5,000 families these past 10 years.
